

## REPORT: 27<sup>th</sup> February 2011

Hi all,

Results from this weekend - hopefully all teams will be back next week:

- **the under 13s** faced **Patcham United** in the Challenge Trophy and despite a good effort went down **1-5**. Good games from Harry Barnes and Ned Entwistle, with Harry Stubbs grabbing the goal.
- **the under 12s** were at home to **Seagulls FC** and put on a fine team performance with Eddie Botting opening the scoring and goals quickly following from Bailey Carter and Ed Kirk. Bailey and Oscar Hilton worked hard in midfield, providing precision crosses for further goals, with Eddie scoring his second, Harry Shersby-Wignall netting one and two from Archie Tasker. Seagulls got one past the keeper, but we ran out deserving **7-1** victors.
- **the under 11s** faced local rivals **Kingston Village FC** at home. After a slow start, Jack Dunkley opened the scoring, Louis Bradley and Ryan Jackson (2) added further goals before Jack made it five at half-time. A few changes in the second half and Tom Smedley scored his first goal for the team to see us run out **6-0** winners.
- **the under 8s** faced a determined **DASH** side over two games. In the first we took the lead twice through Felix Attfield-Davis but DASH equalised both times. Some good passing play however saw Felix score again, Ollie Lumsden add another, before good work from Charlie Haggard made it six at half-time. Although DASH pulled two back in the second half we ended up **6-4** winners. The second game was more one-sided as goals from Felix (2), four for Eli Johnston, Louis Salmon (with his first for the club) and Ollie (2) gave us a **9-0** victory. Many thanks to Joe Shersby-Wignall and Alfie Dobres for great service in goal in both games

Richard
