

## REPORT: 6<sup>th</sup> March 2011

Hi all,

Results from this weekend - hopefully all teams will be back next week:

- **the under 13s** faced **Ratton Rangers** and notched up their first win of the year, **3-1**. Goals came from Danny Morriss and Harry Stubbs(2) while Harry Barnes, Bayley Harrod, Ross Woollard, Owen Moyle and Harvey Dodds all came close to joining them on the score sheet.
- **the under 12s** put on a strong display away to **Seagulls FC**. Harry Shersby-Wignall opened the scoring quickly followed by a header from Sam Bentley - on his way to a tally of six in the match - before Harry added another and Archie Tasker finished things off to give us a **9-0** victory and keep up the pressure at the top of the league table with just two games to go.
- **the under 11s** faced a determined **Dean Valley** side at home. Despite twice being behind - and everything seemingly conspiring to prevent them from scoring - the boys showed great character in the face of adversity to equalise twice through Louis Bradley and Samson Page to see the game end **2-2**.
- **the under 10s** returned from a few weeks break to face **Hollingbury Hawks Colts** away. The first game saw them emerge victorious, with goals from Alfie Haggard and Toby Potter-Drake making it **2-0** at the final whistle. The game was **4-1** to us with Jay Pullen bagging all four!
- **the under 9s (Scorpions)** faced **Chailey and Newick Colts** at home. In the first game we won **3-2** with one of their best performances of the season. George Sheill and Mac Carter took their goals well in the first half, both striking from outside the box. Fraser Cox got the third in the second after a well constructed move from defence and through the midfield. Although Chailey scored 2 in the second half we ran out worthy winners. In the second game we mixed things up a bit with players in less familiar positions and ran out worthy **2-0** victors, courtesy of goals from Fraser Cox and Henry Jones.
- **the under 8s** decided to make their home match against **Eastbourne Borough** more difficult by turning up in Eastbourne first! An impressively mad dash across East Sussex in bid to remake 'Convoy' saw us compete well in the first game but ultimately lose **0-2** (well Borough had had 45 minutes to warm up). Thing settled down in the second match and we ran out comfortable **5-0** winners thanks to a goal from Ollie Lumsden and two apiece from Felix Attfield-Davis and Eli Johnston.

Home games this week if you're around:

- U9 Snakes vs Eastbourne Town Blue, KO 10.30
- U10 vs South Malling Wanderers, KO 12
- U12 vs Hawks Youth Red, KO 11

Lost property - found: one white Soulcal hoodie - probably from the u13s game. I have this - please let me know if you've lost it,

Richard
